

## JP SERIES TOURING

Exclusive arc locking system, one-step angle adjustment. Perfect cube installation. Splicing and connectivity with multiple products.

## TR SERIES TOURING

High wind resistance, anti-humidity and anti-UV technology. Designed for single-person installation. Magnet incorporated in the cabinet for easy assembly.

## ST SERIES OUTDOOR

The product features a thin pixel design for fixed outdoor installations with an aluminum cabinet, IP66 waterproofing, and 5VB flammability ratings. It supports front and rear maintenance, offers high brightness over 10,000 nits. Ideal for high temperatures.

## NG SERIES WALL

Incredibly realistic colors, while dissipating the least amount of heat. Its design is highly versatile and compatible with all technologies.

## DIGITAL STREET SERIES MUPI

Ideal for advertising, both indoor and outdoor, thanks to its brightness of up to 4000 nits and wide viewing angle. It features top-quality materials and the highest level of protection.

Ledec is the largest Mexican LED display company, dedicated to the research, development and manufacturing of state-of-the-art LED technology. Our factory is located in Shenzhen, China, where we create innovative and efficient products. We control the entire process, from conception to production, to ensure the highest quality. This allows us to offer customized and reliable LED display solutions to our customers.

 **LEDEC**  
TECHNOLOGY

We have LED display solutions that are a perfect fit to whatever your project may require. From large displays on stadiums and advertising to HD Displays for boardrooms and corporate offices. We work closely with you from the beginning on the conception of the project in order to ensure a successful development and deployment.

**LEDEC**  
PROFESSIONAL

Our specialized displays for concerts and touring will create a stunning audiovisual experience. We have collaborated with renowned artists and top industry players. We also have experience with live projects and events in Mexico, USA and Canada, as well as internationally.
